"CARPET EDITION"

BECOME AN INSIDER IN THE ART OF THE RUG AND DISCOVER THE LATEST CREATIONS THAT ARE TRANSFORMING INTERIORS. BOLD ELEGANCE, SOPHISTICATED DESIGNS—OUR NEWSLETTER INVITES YOU TO EXPLORE THE TRENDS AND EXCEPTIONAL CRAFTSMANSHIP. LET YOURSELF BE INSPIRED BY THESE UNIQUE PIECES THAT REDEFINE LUXURY AND DESIGN.

Bavier & Ovidia, a Parisian publisher of rugs and fabrics, specializes in high-quality, custom-made rugs crafted with responsible and innovative materials such as recycled fibers and rare plant-based resources.

The company collaborates with renowned brands and specific workshops in Asia, allowing it to create unique and durable pieces for prestigious clients.

In a spirit of creativity, the publisher supports young artists, such as **Léandre Cornette de Saint Cyr**, a French sculptor, whose rug "Heat" they are exhibiting. This creation, inspired by heat and the desert, is a sensorial work of art woven with natural materials, capturing an instant of tension and movement. The "Heat" rug does not seek to please but to assert its presence, much like the desert itself. To be discovered during Paris Déco Home.

PDive into timeless elegance with the **Passer** rug, a centerpiece from the Autumn 2025 collection by **Vincent Van Duysen** for **Perennials and Sutherlands**. Flat-woven, it features a striking linear striped pattern, created by the inlay of two different cord sizes for a subtle play of textures. Its name evokes architectural passages, symbolizing the connection between spaces. The rug brings a touch of discreet luxury and refinement to any interior. It is a sophisticated and timeless piece for an exceptional décor.

The **Azem** bordeaux rug by **Perrine Paris** stands out with its bold, graphic character. Hand-woven, it combines a strong design with the softness of wool, creating a unique and elegant piece.

Perfect for adding a touch of sophistication to your interior, this rug unites exceptional craftsmanship with a contemporary aesthetic. It is the embodiment of discreet luxury and unparalleled quality.
