AUTUMN VIBES

THE ARRIVAL OF AUTUMN REKINDLES OUR DESIRES FOR COMFORT AND INTIMACY. THIS SEASON, DECORATION CELEBRATES THE ALLIANCE BETWEEN ELEGANCE AND CUTTING-EDGE TECHNOLOGY BY FOCUSING ON WARM TONES AND SOPHISTICATED LIGHTING TO TRANSFORM ONE'S INTERIOR INTO A TRUE COCOON.

The new "The Nature of Morris" collection by **House of Hackney** pays tribute to William Morris's vision, blending the elegance of design with social and environmental activism. It celebrates Nature as a living force and opposes the throwaway culture, advocating for heritage craftsmanship and regenerative materials. More than just a tribute, it is a wake-up call that translates Morris's timeless values into the modern world. The collection consists of wallpapers, fabrics, furniture, and accessories, integrating reinvented archival patterns and original designs. It perpetuates Morris's spirit of collaboration with contributions from contemporary artists and designers.

With the arrival of autumn, the desires for warmth, comfort, and intimacy become more prominent in our interiors. At **Modular Lighting Instruments**, they know better than anyone how to translate this seasonal ambiance through light. Their Bronze finish adds a subtle, warm, and elegant touch that perfectly complements all interior styles. Combined with *Warm Dim* technology, the light gradually softens, both in intensity and color temperature – transitioning from a bright, functional illumination to a soft, enveloping atmosphere. A play of shadow and warmth, designed for comfort and beauty. Autumn has never been so bright.

The "Hedgerow Landscape" panoramic wallpaper from **Boråstapeter** stretches across the wall like a gigantic oil painting. Depicting a landscape with vast meadows and imposing trees, the print captures every brushstroke, giving this wallpaper a vibrant artistic expression. Here, Hedgerow Landscape features warm, soft tones of mustard yellow, orange, and terracotta, contrasting with tender green foliage and a pale blue sky. Digitally printed wallpaper and custom-cut to fit your wall.
