## Exhibition of Craftsmanship

In partnership with LabKorner & YellowKorner, discover, according to this year's theme, "The Backstage," a unique and immersive exhibition. These spectacular shots of artisans' hands in action are presented in Places des Petits-Pères and Saint-Germain-des-Prés.

## Spotlight on the 2026 Collections

A quintessential "Signature" attraction, **the giant lamps** dressed in the editors' latest collections return to illuminate your journey, on both the Right Bank and the Left Bank.

## Colossal Decoration

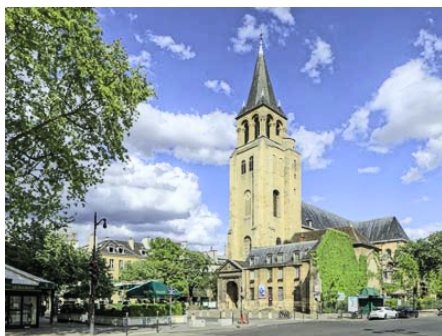

For this new edition, **4 oversized pieces** will be scattered along your route. Installed in the squares of Saint-Germain-des-Prés, Furstemberg, and Petits-Pères, they will be beautifully decorated by the houses Schumacher, Le Jacquard Français Thevenon, and Houllès.

## Paris Adorns Itself with its Finest Fabrics!

Be surprised, in the Parisian streets, on the facades of galleries and showrooms (C&C Milano, Ashley Wilde Group, Instabilelab...), by the "Festival of Fabrics." Also to be seen on the façade of the Hôtel de l'Industrie (Thevenon), and on the storefront of the Bar du Moulin (Designers Guild).

## "The Hands That Save, The Hand That Creates"©

**A charity concert is organized on Friday, January 16, 2026, from 8:30 pm to 10:00 pm** at the Saint-Germain-des-Prés Church. The funds raised will be donated to the Institut de la Chirurgie de la Main (Hand Surgery Institute).
